Dear Flea Market Vendor:

The TIFFIN FLEA MARKET sponsored by the Seneca Junior Fair Foundation committee will begin its 36th year of operation at the Seneca County Fairgrounds, Tiffin, Ohio. The Tiffin Flea market was established in 1978 and has gained the awesome recognition and reputation as being the largest show in Northwest Ohio. People come from far and near to visit this very successful flea market. We believe in advertising to promote the shows by utilizing various area radio stations, many newspapers, trade magazines and TV stations. We also have a web-site @ www.tiffinfleamarket.com

The Jr. Fair Foundation is an all-volunteer, non-profit tax-exempt organization. **Its purpose is to improve the welfare of the Seneca County Jr. Fair participants. The organization is dedicated to providing an opportunity for the youth of Seneca County to learn and develop leadership skills thru participation in Jr. Fair activities and programs.** Proceeds from this fund raising activity helps to fund a variety of improvements on the fairgrounds and projects that benefit Jr. Fair youth.

Enclosed you will find the 2017 flea market schedules, rules and regulations, and vender reservation form for INSIDE space, OUTSIDE RESERVED space and GARAGE SALE space. (Grand Stand & Antique Shelter use "Outside" form.)

It is important that you read and understand **the changes** to the "RULES AND REGULATIONS" regarding space size and fees charged; you will be held accountable for the contents as it applies to you.
